This is **EXACTLY** where your **DOLLARS GO!**

INVESTIGATIVE WORK

We co-ordinate undercover operatives to gather intel, search for and identify children in the sex trade.

[Your dollars help find victims.]

RESCUE & RECOVERY

Once victims are located, we devise and implement plans to recover the innocent and arrest offenders.

[Your dollars rescue.]

AFTERCARE

When a child is unable to return to a healthy environment, we place them into programs, which offer holistic care.

[Your dollars support healing, dignity, and restoration.]

REINTEGRATION

Reintegration can take up to several years, depending on a child's age and needs. This might include family counseling, vocational training or employment.

[Your dollars cover specialists to guide each child toward a safe and empowered future.]

PREVENTION

We offer education to vulnerable groups about the dangers of human trafficking, including education on tactics used by traffickers.

[Your dollars prevent further harm.]

About Destiny Rescue

Destiny Rescue is an internationally recognised Australian founded non-profit organisation who for many years has been at the forefront of rescuing, restoring and reintegrating trafficked and sexually enslaved children, predominantly in S.E. Asian hotspots.

We work alongside local law enforcement as well as the AFP and FBI, providing intelligence and logistical analysis to government agencies as well as restorative after-care to the children they help liberate from sexual slavery.
